William Martin received a telegram yesterday afternoon from Ed. L. Martin from Las Vegas, N. M., announcing the death of Robert McDonald, which took place Sunday. Deceased was a brother-in-law of the Messrs. Martin, and a former resident of Mayville. In 1949 he married Miss Anna Martin, who survives. He leaves besides three children, all married, and all living in New Mexico. Mr. McDonald was about 60 years old and had been a resident of Las Vegas some twelve years. The funeral took place yesterday.

A CHURCH company will be organized at Butler next Saturday week.

This is the twenty-seventh anniversary of the assassination of President Lincoln.

SCHOOLS IN THE SIXTH WARD.

The County Superintendent gives his Views on an Important Matter.

The County Superintendent, Hon. G. W. Blatterman, has kindly submitted to the Board of Education of this city the following suggestions as to the disposition of the school interests in the Sixth Ward and the Chester School District:

Hon. W. H. Wadsworth, Jr., Chairman of Board of Education, Mayville—Dear Sir: In the matter of Chester School District No. 30, I beg leave to say: This district begins on the Ohio river at the mouth of Kentucky creek, thence up creek to and including house at forks of the creek belonging to Jacob Lang; thence to and including the next house on the Thos. Calvert place; thence over the hill in a direct line to junction of Hill City and the Mayville and Mt. Sterling turnpike; thence with the Hill City city to the city limits of Mayville; thence with the boundary of city of Mayville East and North to the Ohio river; thence with Ohio river to beginning.

The school property belongs to the inhabitants of the above district, and from the most accurate data obtainable 60.5 of the money raised to build the house was paid by taxpayers outside the town of Chester, now called the Sixth Ward.

The power to lay off after, abolish or consolidate districts is vested alone in the County Superintendent. [See School Laws, Art. VI, Sec. 7.]

I do not seek any conflict with the city authority, desiring only to discharge my official duty faithfully. If the Board of Education desires to exercise control over any portion of District No. 30, I would beg leave to suggest that before proceeding in that direction it would be well to make an equitable adjustment, so that the vested rights of all parties interested may be maintained and preserved.

I would further offer as a suggestion that this district be under joint control of the county and city authorities.

Any adjustment of the matter that will maintain the rights of the inhabitants of this district shall have my approval and cooperation.

Very respectfully,  
G. W. BLATTERMAN,  
Supt. of Public Schools in Union Co.

The Board of Education will, at its next meeting, consider the suggestions and formulate a reply looking to a speedy adjustment of the question.

Sar. Drowned Her Child.

A special from Hinesport says the report of the finding of an infant in Bullskin Creek has been sifted down, and Miss Hannah Statton, daughter of a prominent farmer, confessed the deed to her father, and he brought her to town and delivered her over to the authorities. She says she threw the babe in the water one hour after it was born, and the reason she did it was to hide her shame. She implied that she and was willing to bear the consequences.

She was tried before Judge Walther, and bound over to court.

There is something behind her confession that would place a prominent man in the clutches of the law, but the girl will not say who is the author of her ruin.

Excitement is high, and sympathy on the girl's side is freely expressed, as she did not have the benefits of a mother's teachings.

Egg battles are all the rage. With girls and boys of every age. Easter is here and Springtime fun May said to be fairly just begun.
